

Privacy policy: Member registry

*This is the privacy policy in accordance with Section 10 of the Finnish Personal Data Act (Henkilötietolaki, 523/99) for the registry of members of The 75th World Science Fiction Convention, **Worldcon 75**.*

1. Registry controller

The registry controller is Maa ja ilma ry, a Finnish non-profit association (ID: 2696579-1). The controller's contact person is Cathy Mullican (registration@worldcon.fi).

2. Purpose of processing personal data

The purpose of processing personal data is the management of the convention's membership. The controller is the organiser of the convention.

3. Data stored in the registry

The following personal data provided by the user is stored in the registry (not all data is collected for all persons):

- Name and nickname
- E-mail address
- Home address
- Year of birth

4. Disclosure of data

The controller and persons authorized by the controller can use the contents of the registry in the manner they find most suitable for managing and informing the members.

Some data on our youth, adult and supporting members will be shared with the organisers of the 2016 and 2018 Worldcons, for the sole purpose of enabling our members to nominate candidates for those years' Hugo Awards. This data transfer outside the European Union is required for the fulfillment of our members' rights, as defined in the [Constitution of the World Science Fiction Society](#), and allowed under Section 23 of the Finnish Personal Data Act.

If requested, we will not share a member's data with the 2016 and 2018 Worldcons, but in that case the member in question will not be able to exercise their right to nominate in the awards. Registry data is otherwise not turned over to third parties without the member's explicit permission.

5. Protection of the registry

The registry is located on a Google server that is password-protected and located in a locked space. The association is a signatory to the [Data Processing Amendment to Google Apps Agreement](#), which defines the registry's protection in more detail.

6. Right of inspection

In accordance with Section 26 of the Personal Data Act, registered persons have the right to inspect their data stored in the registry. The inspection request must be supplied in writing and it must be signed.
